## President's Message

Dear Students,

In the competitive era of 21st century, the future will belong only to those talents who are able to build a strong foundation and have in- depth knowledge and understanding of their professional field. With the ever expanding frontiers of information and knowledge student have to learn to dive deep to harvest the pearls of success against all odds.

In present scenario there are a large number of institutions imparting education. But we have observed that at the same time it is more important to create a good human being, acceptable to society. This idea has led us to establish a Sri Guru Ramdass college of Education for producing efficient and Skilled Teachers for society

Keeping in mind the requirement of society we will impart not only the quality education but also training the students beyond academics to make them a technocrat having good human values and professional ethics.
